

Dealer Benefits of Selling Cloud

Alibi Cloud VS solutions offer countless benefits for Dealers, that significantly reduce the time and expense required to support your customers, and grow your bottom line!

What's in it for YOU?

-  **Earn your up-front money** on camera sales & installation services
-  **Reduce installation times** with no recording device or bridge to configure
-  **Eliminate** the need to set up & maintain VPNs and port forwarding
-  **Minimize service calls** with no on-premise hardware, and auto-updates of camera firmware
-  **Minimize maintenance requirements**, taking advantage of:
 - Continuous & automatic cyber-security software updates in the cloud
 - Automated firmware updates pushed to cloud-enabled cameras
 - Cloud-deployment of latest firmware upgrades, including value-added video analytics
-  **Reduce customer training requirements** with intuitive Alibi Cloud VS mobile and client applications

PLUS! The Alibi Cloud support team offers turnkey administration, including account set-up, subscription management, and direct technical support... giving you the time to close more business!

Your Mailbox Money
Adds Up Quick!

Sell 20 cloud-enabled cameras each month for one year, and you can generate subscription revenue of more than \$1000 per month!
